Dear Remington Nevin:

Thank you for your Freedom of Information Act (FOIA) request of March 25, 2019, received by the Defense Health Agency (DHA) on March 25, 2019. Your request has been assigned Control Number 19-00164. Please reference this number in any future correspondence on this matter.

A review of your request shows that you are seeking:

*[Copies of all correspondence, memorandum, meeting agendas, minutes, and any other documents, made by the Joint Preventive Medicine Policy Group (JPMPG) or members thereof acting in their official capacity as members of the group, related to planned, proposed, or enacted policy for the use of tafenoquine (Arakoda) by the U.S. military, to include any records related to the JPMPG quarterly meeting discussed in the Tafenoquine Transition Planning Meeting (enclosed).]*

The DHA has not been able to respond to your request within the FOIA's 20-day statutory time period due to unusual circumstances. The unusual circumstances may include: (a) the need to search for and collect records from a facility geographically separated from this office; (b) the potential volume of records responsive to your request; (c) the need for consultation with one or more agencies which have substantial interest in either the determination or the subject matter of the records; and (d) an unusually high volume of FOIA requests.

In accordance with 32 Code of Federal Regulations Part § 286.8(a), the DHA FOIA Service Center responds to requests in the order received. Your request is presently **306** in our queue to be processed. Due to the number of open requests ahead of yours, the **estimated completion date** for your request is now **February 24, 2020**. We sincerely regret there is a substantial delay in processing requests, and we solicit your patience and understanding as we diligently work to respond.

If you are not satisfied with this action, you may appeal to the DHA appellate authority. Your appeal must be written and postmarked within 90 calendar days of the date of this letter, should cite the above referenced control number, and should be clearly marked "Freedom of

Information Act Appeal." To submit electronically, email [DHA.FOIAappeals@mail.mil](mailto:DHA.FOIAappeals@mail.mil). To submit via postal delivery, send your written appeal to:
